

FINISH @ HOME

Baking Directions

**If not baking the pizza within an hour of purchase, please refrigerate.*

1

PREPARE

Place oven rack at second position from the top

Pre-heat oven to 425F

Note: If pizza is refrigerated, remove and rest on counter while oven heats

2

BAKE

Remove saran wrap

Place pizza (with tray) onto rack. Tray should not touch oven walls.

Bake for 8-12 mins (until cheese bubbling + desired crunch to crust)

3

FINISH

Pull out of oven, place on cutting board, & rest/cool for 2 mins

Cut with pizza wheel

If pizza has any finish items (non-baked) such as basil or arugula, place on pizza before serving

Enjoy!

Please be careful, pizza will be extremely hot
