

## HOP / BITTER

<b>Atomic Punk</b>	<b>West Coast IPA</b>	 <b>6.9%</b> 
<p>A hop-forward yet extremely balanced and drinkable IPA. This aggressively hopped IPA immediately strikes a power chord of grapefruit, tangerine, and pine flavors with a hint of "dankness". The malt profile provides just enough backbone to support the massive hop profile.</p>		
<b>Petal On Metal</b>	<b>Fresh Hop IPA</b>	 <b>6.9%</b> 
<p>Our annual fresh hop beer featuring Idaho 7 hops that were harvested just hours before going into this very quaffable IPA. It's a special beer that can only be made once a year (during hop harvest season).</p>		
<b>Multiplayer Guild Collab</b>	<b>Hazy IPA</b>	 <b>6.4%</b> 
<p>In the spirit of the WA brewing community, brewers from across the state come together to produce Multiplayer Guild Collab, an IPA benefiting the WA Brewers Guild. This IPA is a reflection of a connected and collaborative industry, working together to brew another day and pour another pint. With a soft mouthfeel and layers of coconut, melon and tropical fruit flavors, this Hazy IPA is guaranteed to delight.</p>		
<b>Revolver #12</b>	<b>American Pale Ale</b>	 <b>6.7%</b> 
<p>The most recent version our rotating pale ale series features the Sultan hop. This new hope variety is packed with big flavors of pineapple, pine and bright citrus notes. This is an easy-drinking, refreshing hoppy beer that has just enough bitterness to keep things balanced. The nice dry finish will keep you coming back for more.</p>		
<b>Young &amp; Hazy</b>	<b>Juicy/Hazy IPA</b>	 <b>6.5%</b> 
<p>Soft mouthfeel with massive fruit flavors including peach, mango, citrus, papaya, and apricot. Bitterness plays a very small supportive role in this beer as the focus is clearly on the juicy characteristics of this enticing beer.</p>		
<b>Riders On The Storm</b>	<b>Hazy Pale Ale</b>	 <b>5.6%</b> 
<p>Our Hazy Pale Ale is as tasty as it is quaffable. Loaded with flavors of citrus, mango, and tropical fruits.</p>		
<b>Comfortably Numb</b>	<b>Double IPA</b>	 <b>8.6%</b> 
<p>Our double IPA is deceptively easy to drink. At 9% and a bitterness of over 100 IBU, you will be pleasantly surprised how well the malt profile, mouthfeel, and hop flavors create a dangerously delicious DIPA. Has a gorgeous orange hue with notes of tropical fruit, grapefruit, and tangerine.</p>		
<b>Goodbye Darkness</b>	<b>CDA / Black IPA</b>	 <b>7.2%</b> 
<p>Take the malt complexity of a porter or stout, add the hop flavors/aroma of an IPA and you have a beer that you will soon be calling "old friend". Hints of roasted malt and slight chocolate notes with a firm bitterness, ample hop aroma and citrus, pine and herbal flavors.</p>		

## FRUIT / FUNK / BELGIAN

<b>Living Reflection</b>	<b>Fruited Sour</b>	 <b>6.3%</b> 
<p>Refreshing, juicy, dry and tart. Our latest sour creation is fermented with Tangerine and Guava.</p>
